Academic Planning is the process of developing the student's Degree Program and Degree Program Rationale at Empire State College. The goal of this 4-credit study is for students in performing arts to complete the degree program in one term. The student will take the steps involved in planning the degree and developing areas for assessment in prior learning. By the end of this study, the student will have completed writing all Prior Learning Assessment essays for credit by evaluation requests; choose a concentration; finalized plans for a degree program; take examinations (CLEP, etc.) that could document some areas of the student's past learning (languages, etc.); and will have turned in a completed portfolio. Students should have requisite research and college level writing skills and/or other skills necessary to plan their degree. Additionally, students must attend the Portfolio Workshop prior to the first meeting of this study. This study is only for matriculated students of Lisa Parkins.
