Educational Planning for mentees of Kimberly Roff only. Educational Planning is the process of developing and planning your Degree Program and Degree Program Rationale at Empire State College. Students will be reviewing past academic and life experience, identifying a concentration, and projecting the Learning Contracts to be designed and accomplished while at the college. In addition, students will prepare "Learning Essays" if they are requesting Prior Learning Assessment (PLA), the college's process of requesting credit for prior learning outside of the academic setting. Students will also work on research and writing skills and/or other skills necessary for planning and embarking upon college level work and career planning. Additionally, students must attend the Portfolio Workshop prior to the first meeting of the study. Students will work with a writing coach developing the rationale, entering transcripts to the DP and writing essays for prior learning if the student intends to request such. Students will also work with their mentor in the areas of study, advising and finalizing their portfolio for submission to the assessment office. This study is for matriculated students.
